share books and sing to me
throughout the day."*

Chat with me!
When's your together time?

"I love it when you chat about whatever I am interested in, feeling or doing."

"Chatting together is easy and it's free. It helps me learn new words too."

"I can hear you better when you turn down background noise."

 **Top Tip**

Try chatting to me during everyday activities - eg mealtimes, out and about and bath times. Give me time to join in and keep the back-and-forth turns going.
