Start Date:	
Assessed by:	
Comments:	
REGULARLY ASSESS THAT THE APPROPRIATE PRODUCT IS BEING APPLIED	

Products Used:

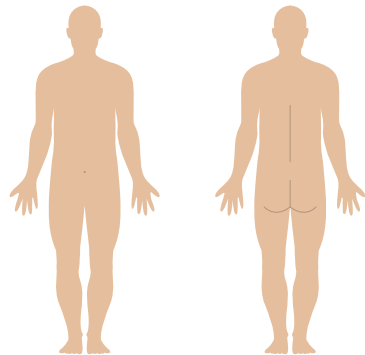

- Foam & Spray
Incontinence Cleanser - 250ml
- Skin Protectant Ointment - 115g

Frequency of Application:

- After each episode of incontinence
- Other (Please detail):
- _____
- _____
- _____

Area of the Body Being Treated:

Application Site/s: _____
(Mark with an 'X' where appropriate)

Instructions for Use:

Trigger Modes:
Turn the nozzle to the position (1).

- Foam Mode:** Ensure the nozzle flap is closed and pull the lever in firmly. Use foam mode on difficult-to-reach areas.
- Spray Mode:** Open the nozzle flap (2) and pull the lever in firmly.

Application:

- Apply directly to the skin or onto a wash cloth.
- Clean the affected area, minimising application of pressure and/or friction.
- No rinse required.
- Pat dry or leave to air dry where possible.

Application:

- Apply a thin uniform coating over the affected area. Avoid rubbing the skin.
- A more liberal application may be required for severely moist or damaged skin.

Precautions:
When using **MEDI DERMA-PRO** Skin Protectant Ointment

- Do NOT** apply an adhesive dressing or device to the treatment area.
- Wait at **least 5 minutes** after applying any other topical treatments before applying **MEDI DERMA-PRO**.
