Area of the Body Being Treated:

Application Site/s: _____
(Mark with an 'X' where appropriate)

Instructions for Use:

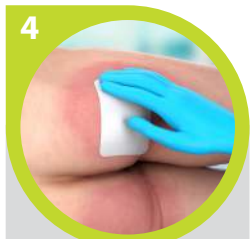

Skin Preparation:
 • Cleanse the affected area and pat dry.

Application:
 • **"Pea to Palm"**. Use a pea sized amount of cream to cover an area approximately the size of your palm.
 • Apply evenly to the affected area using a circular motion.

Quantity to Use:
 • **Do NOT over-apply.** The skin should be clearly visible through the cream layer.

Apply Dressing/Device:
 • Once fully dry, dress the affected area, if applicable.
