Winter Resilience?

Continuity Planning

- **Staffing**
- Vaccines & **Flu Jab**
- Weather
- Infection control
- Visitation rules
- Training
- Fuel shortages?
- Christmas! 🎄

What worked: Business Continuity Planning

- Testing your plan
- Lesson learnt
- Weather Watcher
- Training
- Vaccination training and consultation
<https://www.youtube.com/watch?v=AjNXt4Uapjg>
- Inform clients & families
- Collaboration – agencies, other care orgs. **Councils – whole system approach**

Scenarios & Lessons Learnt

- Vehicles
- Informing/ including families
- Information/ booklet
- RAG status' where is the highest need, Risk assessment
- Staff prep kit, overnight, parking
- Clients – information, kits

[illegible]

Communication & Coproduction - websites, Teams, meetings, memos, docs

Do you have any ideas of what we could put in it or share any strategies we've used before which has worked well from your point of view. It'll be tips for staff, clients & managers

Thanks!   

#WinterResiliencePlanning
Comment below 📌

Person centred approach

- Better equipped post 2020 ?
- Planning for people not systems
- Information sharing (including CQC)
